JIM HOPSON
PRESIDENT and CEO

In 2005 Jim Hopson came on board as the Saskatchewan Roughriders' first Chief Executive Officer. Since taking on the position as President and CEO, he has consistently stressed the importance of striving for excellence in all on and off field endeavours and we are seeing the results of this at Mosaic Stadium and in our business operations.

Fans saw many changes at the stadium in 2005 including the installation of the SaskTel MaxTron, and upgrades to club seating, sound system, east washrooms, east concessions and the locker room just to name a few. The business focus this year has been continued improvement to our football facilities, stadium and the overall game day experience. New Field Turf was installed for the 2007 CFL season.

Hopson's role with the Roughriders includes overseeing all of the operations of the football club, and he brings a wealth of knowledge and experience to the organization. Prior to joining the Roughriders Hopson spent 30 years as a teacher, principal and Director of Education in Saskatchewan. Most recently he led the amalgamations of the Buffalo Plains, Cupar and Indian Head School Divisions and was the first CEO/Director of Education for the Qu'Appelle Valley School Division.

Hopson's roots in Saskatchewan football run deep. He began his football career in high school, where he played on both the offensive and defensive line for the Thom Collegiate Trojans. After high school, Hopson spent one semester at West Texas State University before passing up his football scholarship to play at home with one of the top junior football programs in the country, the Regina Rams. As a Ram, Hopson was part of two Canadian champions and was chosen as a Man.-Sask. League all-star on defense and offence as well as being named the league's Most Outstanding Lineman in 1972. While playing football he attended the University of Saskatchewan, Regina Campus, and started his teaching career in Ceylon, Sask. while in his final year with the Rams.

His first year with the Saskatchewan Roughriders was 1973, where he made the team as a backup and was on the roster for five games. Hopson became a starter in 1974 and lined up at guard or tackle for each game during the season. Hopson played four seasons with Saskatchewan and the six-foot-two, 250-pound guard helped open holes for the likes of legendary back George Reed, and in protecting quarterback great Ron Lancaster.

Hopson was able to combine teaching in Lumsden with playing professional football during the 1975 and 1976 seasons, but after playing in the 1976 Grey Cup he retired from football to concentrate on his career in education. He followed the Riders as a fan until 2001 when he joined the board at the request of the Rider Alumni to serve as a special advisor.

ERIC TILLMAN
GENERAL MANAGER AND VICE-PRESIDENT OF FOOTBALL OPERATIONS

Eric Tillman is entering his second season in Saskatchewan after being named General Manager and VP of Football Operations on August 21, 2006.

Tillman has been involved in the CFL for the last 16 years during which time he has served as General Manager for three other teams – B.C., Toronto and Ottawa and captured two Grey Cups.

He graduated with a Journalism Degree from the University of Mississippi in 1979.

Tillman began his football career in 1981 when he joined the public relations department of the NFL's Houston Oilers.

He then moved to CFL in 1982 when he took the job of Director of Player Personnel with the Montreal Concordes.

In 1984, he became executive director of the prestigious Senior Bowl, held annually in Mobile, Alabama. During his eight years with the NFL-sponsored All-Star game, he gained invaluable contacts in collegiate professional football.

In 1993, he accepted the vacant General Manager position with the B.C. Lions, inheriting a team that had finished 3-15 the previous year. The team went on to win 31 games over the next three seasons which included capturing the Grey Cup in 1994.

Tillman left the CFL to head overseas where he worked as the Director of Football Operations for the World League of Football (now known as NFL Europe).

He did make a return to the CFL, but this time as the General Manager of the Toronto Argonauts. In 1997 the Argos captured the Grey Cup.

In his most recent General Manager role in the CFL, Tillman worked with the Ottawa Renegades prior to heading into broadcasting where he worked with CBC and Sportsnet as a television analyst for the CFL.

Over the course of his CFL career, Tillman has brought many noteworthy players into the CFL including four current Roughriders – Kerry Joseph, Jason Armstead, Fred Perry and Jeremy O'Day. Other recruits have included Mookie Mitchell, Cory Philpot, Ladouphyous McCalla and Korey Banks.

The 49-year-old was born in Jackson, Mississippi. He and his wife Francine have two children – Alexandra (2) and Jackson (1).

KENT AUSTIN
HEAD COACH

Kent Austin is entering his first year as a CFL Head Coach, and will serve as the 26th head coach in Roughrider history.

Prior to coming back to Saskatchewan, Austin served as the offensive coordinator for the Toronto Argonauts from 2004-2006. In 2004 he helped coach the Argos to a Grey Cup championship and in 2005 his work with quarterback Damon Allen helped the Argo quarterback claim his first ever CFL Most Outstanding Player Award. In 2003 he made the transition into the coaching ranks when he served as the quarterbacks coach for the Ottawa Renegades.

Austin returns to the Saskatchewan Roughriders after playing for the team from 1987-1993 during which time he led the Green and White to their second ever Grey Cup championship in 1989. After passing for 474 yards in that celebrated victory over Toronto, Austin was presented with the Grey Cup MVP trophy. After leaving the Riders, Austin went on to claim his second Grey Cup ring in 1994 when he quarterbacked the B.C. Lions to the championship. He spent one season with the Argonauts before rounding out his playing career in 1996 with the Winnipeg Blue Bombers.

Over the course of his playing career, the Tennessee native broke many CFL records and his name can still be found in numerous passing categories in the league record books. He still remains as the CFL's ninth all-time passer with 36,030 yards. His 57.6 yard completion average is third best only behind Doug Flutie and Tom Clements. In addition he remains one of only four players to pass for more than 6,000 yards in a single season. Austin achieved this in 1992 when he passed for 6,225 yards.

Prior to appearing in the CFL with the Roughriders in 1987, Austin spent time with the St. Louis Cardinals of the NFL after he was their 12th round selection the 1986 NFL College Draft. He attended the University of Mississippi where he set many passing records with the Rebels.

He will also be close to New Orleans, Houston, and Dallas which offer significant advantages in terms of scouting NFL prospects.

Womack brings the Riders a wealth of football knowledge after spending the last 35 years in the business. Most recently, Womack has spent the past eight years scouting in the NFL with the Philadelphia Eagles, Washington Redskins, and the NFL Combine.

He first came to the CFL as a player in the 1970's with Winnipeg and Calgary. He also spent time with Chicago in the World Football League and still holds the record for the longest interception return (96 yards) for a touchdown.

After his playing days, Womack joined the Saskatchewan Roughriders as a scout in 1982. He moved on to work at the CFL office as the Director of Scouting in the mid-1980's. Womack also served as the Director of College Scouting for the B.C. Lions in the 1990's under G.M. Eric Tillman.

In terms of experience, Womack's combination of background in the CFL and in the NFL speaks for itself. He is a true pro and a tireless worker who will give the Riders another very valuable set of eyes.

HISTORY

SASKATCHEWAN ROUGHRIDER HISTORY

Organized football in Saskatchewan began on Tuesday, September 6, 1910 with the formation of the Regina Rugby Club. The original idea was for the team to be a rowing club, but three-down football soon found its way to Saskatchewan. The original colours of the Regina Rugby Club were gold and purple. The team lost its first game 7-6 to Moose Jaw.

The next season, the team changed its colours to blue and white to match the Regina Amateur Athletic Association. A third colour change occurred in 1912 when they changed to red and black, which they would keep for the next 36 years.

In 1924, the team changed its name from the Regina Rugby Club to the Regina Roughriders. Ottawa's Rugby Club had been called the Rough Riders since the 1890's, but dropped it in favor of the "Senators" in 1924. Regina jumped at the chance to adopt the name "Roughriders".

There are two theories on where the name "Roughriders" came from. One states that it came from the North West Mounted Police who were called Roughriders because they broke the wild horse broncos used by the force. The other states there was a Canadian contingent who fought with Teddy Roosevelt in the Spanish-American War. Roosevelt's troops became known as the Roughriders. Following the war, the troops returned to Canada, part settling in Ottawa, and the rest moving out West. The colours of the Roosevelt infantry were red and black.

In 1921, East-West interlocking games began being played for the Canadian Championship symbolized by the Grey Cup.

Lacking suitable opposition in this province, in 1936, Regina banded with Winnipeg to form the Western Conference.

The year 1948 was a milestone one for the Roughriders. With the folding of both clubs in Moose Jaw and Saskatoon, the Regina Roughriders became a provincially-owned and -operated club, surviving only on the undying support from the entire province. They became the "SASKATCHEWAN ROUGHRIDERS".

The team also changed its colours in 1948 to the familiar Green and White. The team was in bad need of new uniforms, and when executive member Jack Fyffe found a set of green and white jerseys at a surplus store in Chicago, for pure economic reasons, the 50 year legacy of the "Green and White" was born and has existed to this day.

In 1956, the Roughriders suffered a terrible tragedy when players Gordon Sturtridge (#73), Mel Beckett (#40), Ray Syrnyk (#56) and Mario Demarco (#55) were killed in a plane crash while returning from an all-star game in Vancouver. Flight #810 crashed into Mt. Slesse in the Coastal Mountains just

south of Chilliwack, B.C. The four players' uniforms are among the eight Roughrider numbers retired by the club. Dave Ridgway (#36), Ron Lancaster (#23), George Reed (#34) and Roger Aldag (#44) are the others.

Ten years removed from the tragic accident, the Roughriders, with coach Eagle Keys at the helm, saw their first great achievement. By defeating the Ottawa Rough Riders 29-14 in Vancouver's Empire Stadium on November 26th, 1966, Saskatchewan captured its first Grey Cup championship. Lancaster and Reed played key roles in leading the Riders to their first national title.

The Riders remained one of the best teams in the CFL for nearly 15 years, making the post-season every year from 1962 to 1976. Included in that span was five Grey Cup appearances, 1966 (which they won), 1967, '69, '72 and '76.

The Roughriders would update their look one more time in 1985, adding black and silver to the Green and White, and featuring a new stylized 'S' logo.

The team had several lean years during the late-'70s and early 1980s, where poor on-field performances led to even worse gates. However, fans remained positive that a turn-around would soon come and it did, by way of one of the best Grey Cup games ever played.

On November 19, 1989, kicker Dave Ridgway nailed a 35-yard last minute field goal to seal the Roughriders' second ever Grey Cup championship with a 43-40 victory over the Hamilton Tiger-Cats at Toronto's SkyDome.

The win, and 'The Kick', will likely go down as one of the best Grey Cup games ever played in the history of the CFL. The Riders have made it to the championship game one time since, when in 1997 in Edmonton they lost 47-23 to the Doug Flutie-led Toronto Argonauts.

As the new era of the Saskatchewan Roughrider Football Club continues to grow, the team and its fans are drawing closer to regaining the glory of yesteryear while becoming one of the league's flagship franchises. Fans of the Saskatchewan Roughriders reside all across the country, and around the world for that matter.

Canada's Team has now made the playoffs five straight years, including three appearances in the Western Division Finals since 2003. The club is getting closer and closer to reaching the pinnacle of the CFL - the Grey Cup championship.

There is no question this team is primed to add to its storied history.

HISTORY

MOSAIC STADIUM

The home of the Saskatchewan Roughriders has a long and proud history. From its earliest days as simple Rugby field to its current stature as home to the 1995 and 2003 Grey Cups, Mosaic Stadium certainly has a storied past.

The first Rider teams played on the field of Park Hughes (located at the current Mosaic Stadium site). Families would come and circle the rugby field to watch the games. Over the years, temporary seating was put in place for fans, but many came and chose to sit on the grass and watch their favourite team.

In 1927, to accommodate the growing number of fans, Park Hughes and the adjoining Park de Young were reconfigured to provide a better venue. More seating was added, but spectators still showed up and parked their cars at the touchline to watch the action.

In 1936, a number of improvements were made to the field to make the fans more comfortable. Gone were the days of fans sitting along the sideline or jostling for position to see the action. New seating was built to accommodate the growing crowds. Also, a new press box was built and facilities were provided for radio broadcasts of the games.

In 1946, another major improvement was made to Park de Young. Prior to that year, the field at the site had never had turf. Each season, a new load of topsoil was dumped on the field to make it playable. Due to the dry Saskatchewan summers, the park became a dustbowl by the end of the season. But in 1946, the Regina Recreation Board agreed to seed the field to provide a quality surface for games to be played.

The year 1947 marked the renaming of Park de Young. The year before, Neil "Piffles" Taylor passed away. An instrumental part of the early development of the Roughriders, Taylor had been a player, coach, and executive for the team since its founding. Following Taylor's sudden death at the age of 48, the City of Regina renamed the Riders' home, Taylor Field.

In 1948, a $47,000 investment was made to build a 4,500-seat grandstand on the west side of the playing area.

For the next several years the stadium remained relatively unchanged. It wasn't until the mid-1970s when it was agreed that it was time to move Taylor Field into the future. A major renovation was done to the stadium, which included the addition of a second level to the west-side grandstand, new offices and dressing room facilities as well as new artificial turf. The renovations allowed the Riders to move all operations into Taylor Field. It was a major step forward for the team.

MOSAIC STADIUM

In 1988, the Roughriders replaced the first artificial turf with a new type of system called OmniTurf. Unlike AstroTurf, OmniTurf was an inlay turf system, which relied on 300 tons of sand to hold it in place (rather than the traditional glued-down system). Over the years, a number of problems occurred with this system and it eventually became necessary to replace it prior to its usable age being reached.

In 1995, the Roughriders' hosted the Grey Cup for the first time.

In conjunction with this, a number of renovations were needed for the stadium to meet the Canadian Football League standards. The existing press box area on the west side of the stadium was renovated resulting in a new area called Club Seating West.

The area was built as a VIP area for the Grey Cup and later became corporate seating for the Riders. Because the new Club Seating area was built, displacing the media from their old seats, another area was needed as a media centre for the championship game. A new Club Seating East area was built on top of the existing east side stands. It was used to house all the visiting media for the big game. Following that, it was split, creating a new Roughrider media centre as well as more corporate seating for the organization.

In 2000, the Roughriders undertook a new turf project. In anticipation of hosting the 2003 Grey Cup, the team began to search out funding to replace the old OmniTurf. Due to great support from the community, the project was accomplished a year ahead of schedule and the new AstroTurf was in place prior to the beginning of the 2000 CFL season.

In preparation for the 2003 Grey Cup, temporary stands were built in the north and south endzones, enabling the grand ol' stadium to hold 51,000 spectators for the 91st Grey Cup championship on November 16th.

With a windfall of just over $2 million in revenue from that Grey Cup, as well as an on-going share offering to its fans, the Roughriders have begun to use this new capital to leverage funds to enhance the stadium even more.

Plans were unveiled in December, 2004 to upgrade the facility and take the stadium into the future. A state-of-the-art video board, sponsored by SaskTel, was unveiled in time for the 2005 season. The SaskTel MaxTron enabled the Roughriders and their fans to watch replays, be entertained and bring the CFL franchise in line with the other member clubs.

A new sound system was also installed in 2005 as well as many other improvements to the east side, including washrooms, concessions and refurbished seats. The Roughriders relocated the student section to the north end-zone from section 28, enabling more red zone seating. In the south endzone, a VIP deck and stands was put in place for the start of the 2006 season, allowing the football club to host its corporate game day sponsors.

In April of 2006, an announcement was made declaring the Roughriders and the City of Regina's plans to unveil new, grass-like FieldTurf which was installed for the 2007 season.

As more upgrades to the stadium are planned, the football club, in conjunction with The City of Regina, embarked on a 10-year journey with a global, yet grassroots partner in Mosaic Stadium. The announcement was made official on Friday, June 23, 2006 that from now on, the place where so many legends have played, will now be known as Mosaic Stadium.

The football club will also pay tribute to the stadium's first namesake, Piffles Taylor, by way of reconstructing the monument at the stadium entrance in order to bring more attention to this important figure in Roughrider history. Plans are also in place to change the name of the street in front of the stadium to read "Piffles Taylor Way".

Without question, the home of the Green and White will continue to remake itself to meet the needs of the League, the Saskatchewan Roughrider Football Club and its fans. But no matter what changes lie ahead, the history and appeal of Mosaic Stadium at Taylor Field remains unmatched in the CFL.

RIDERS IN THE COMMUNITY

The Saskatchewan Roughriders Football Club is committed to their community. Over the years the organization has made it a priority to give back to the local community as well as to offer support to non-profit organizations across the province.

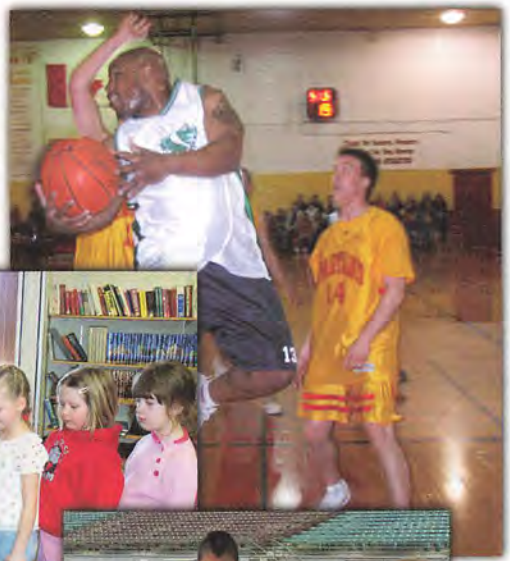
The Green and White have always strived to contribute significantly to charities, amateur sport as well as a number of organizations through donations, financial aid and even by lending a hand.

In 2006, the Riders donated over $180,000 in game tickets, and 1,000 fund-raising items to hundreds of worthwhile organizations.

Through a number of Roughrider initiatives, over $200,000 was distributed to amateur sport organizations in the province last year and more than $20,000 was given in support of charitable events across the province.

Along with being committed to offering financial aid to worthwhile organizations the team's players, coaches and administration are always striving to be directly involved in helping others. That includes speaking at over 100 schools in the province as well as helping out at a variety of events. The team's coaches and administration also are committed to lending a hand as they spent over 600 hours attending community events.

Since 1910, no other team has been a part of the provincial fabric as has the Saskatchewan Roughrider Football Club and they are focused on being committed to the province of Saskatchewan year after year.



GAINER THE GOPHER

Gainer the Gopher has been a member of the Green and White family for 30 years now. In that time he has become a Saskatchewan icon while continually breaking down the barriers between man and rodent.

Gainer was one of 38 children born to Dwayne and Agnes Gopher, owners of a small trenching and excavation company in Parkbeg, Saskatchewan. Although his parents always knew Gainer was different from his siblings, they never in their wildest dreams ever expected one of their own to become a true Saskatchewan icon.

Back in 1976, Gainer bought a ticket to see his favourite football team play for the very first time. Immediately after entering the stadium, the lovable gopher new he had found his destiny. After leading the crowd in a variety of cheers that day, the Roughriders hired Gainer on the spot and the rest is now history.

Since that special day, Gainer can always be found rallying the fans at Mosaic Stadium. His energy, his enthusiasm and his dance capabilities still remain unmatched by any other CFL mascot. His ingenuity continues to break new ground and in the end, Gainer the Gopher continually proves that he truly is one of a kind.

Over the years, Gainer has grown and evolved into a high-spirited rodent for all to love and in 2006 another important transition took place. It was then that Gainer the Gopher first donned his new jersey bearing the number 13. This was an honour for Gainer as it made him the ambassador for all Saskatchewan Roughrider fans who are the ever-important 13th man.

620 CKRM RIDER CHEERLEADING TEAM

For decades, the Saskatchewan Roughrider Football Club has been well-represented on the sidelines by a dedicated dance group. This year with the addition of a stunt team the 620 CKRM Rider Cheerleading Team is entering a new era. They began back in the 1970s as the Roughrider Golden Girls before becoming the Rider Dream Team and then the Trailblazers prior to evolving into the 620 CKRM Rider Cheerleading Team which now consists of both dance and stunt team members. Besides their role on the sidelines of Saskatchewan Roughrider home games, the 2007 version of the 620 CKRM Rider Cheerleading Team will once again make numerous guest appearances throughout the province. From autograph sessions to charity fundraising events, the Saskatchewan Roughrider Cheerleading Team is sure to brighten up any event. For more information on booking team members for your event email them at *cheerleaders@saskriders.com* or visit *www.riderville.com* for more details.

620 CKRM TRAILBLAZERS

At home or on the road, trust Rod Pedersen, Carm Carteri and the entire 620 CKRM Rider Radio football crew to provide Roughrider fans with the CFL's best Game Day coverage.

BROADCAST TEAM

Rod Pedersen is entering his eighth season as the play-by-play voice of the Saskatchewan Roughriders. The 34-year old product of Milestone, SK has worked in the sports broadcasting business for the past 15 years after attending Mount Royal College in Calgary in the Broadcasting Faculty. Rod's career has included stints at CFSL Radio in Weyburn, CKBI Radio in Prince Albert and currently with CKRM Radio in Regina, where he has been the Voice of the Regina Pats since 1995 and Voice of the Riders since 1999. As the Sports Director at Harvard Broadcasting, Rod can be heard on the 620 CKRM morning show, as well as every Monday night on Saskatchewan's top-rated sports radio talk show, "Sportsline". Rod's involvement on Rider games dates back to 1991 when he was sideline reporter and host of Roughrider Warm-up on CKRM. That summer he was also the Voice of the Regina Rams. In 2003, Rod was inducted into the Rural Sports Hall of Fame in Indian Head, Sk.

Carmelo Carteri was born and raised in Regina. Carm is a graduate of O'Neill high school, where he began his football career. Carm was an MVP on O'Neill's first city and provincial high school football championship teams. Following his high school career, the linebacker accepted a scholarship to Porterville, CA to attend junior college and play football. He achieved MVP honours once again before moving on to the University of Montana. Carm was the first pick of the Ottawa Rough Riders in 1979, beginning a six-year career in the Canadian Football League that saw him spend three seasons with the Roughriders, two as a Tiger-Cat in Hamilton and one season in Montreal. Carm was an Eastern All-star linebacker in 1981 with Hamilton. Since his retirement from pro football in 1985, Carm has owned and operated the Regina Court and Fitness Club in southwest Regina. The club is the most-preferred training centre for Roughrider players. Carm is entering his 19th year as a colour commentator for 620 CKRM Rider Radio. His knowledge of the game and of the Saskatchewan Roughrider Football Club is instrumental in the success of each Rider broadcast.
